

## UKRAINIAN PRISONERS AT RAVENSBRÜCK

(listed as Ukrainians in documents or born in Ukraine)\*\*

February 2021

\*\*The author has attempted to identify Ukrainian women from the various documents in the references, below. Only women who self-identified as being Ukrainian, or those who were born within the 'accepted' territories of Ukraine, were included (many from western Ukraine were listed as Polish, those from eastern Ukraine as Russian and some from Zakarpattia as Chechs or Hungarian).

Information differed, for some women, depending on the source/reference - the author has attempted to be as accurate as possible in this database, given the challenges and limitations.

This database is continuously being updated, so we encourage individuals to contact UCRDC if they are aware of names, or additional information, of women who were incarcerated at Ravensbrück. ([office@ucrhc.org](mailto:office@ucrhc.org))
